MEMORANDUM FOR THE RECORD

SUBJECT: CE Cards

REFERENCE: Memorandum for RI/W., dated 10 November 1952,
Subject: CE Card Files (800-7-213-1)

1. The referenced memorandum describes the action taken by RI, in microfilming and integrating approximately 150,000 desk CE cards into the RI system.
2. At the time microfilming was initiated, a small number of the cards were in use by the various desks since it was impossible to recall all cards and refuse their use to interested parties.
3. Cards returned to RI after the microfilming and prior to this date are held in alphabetic sequence as a bulky attachment to this memorandum. Index cards bearing the same file number as this document were prepared for the RI Main Index. CE cards returned to RI after this date will be interfired in the Bulky and have index cards prepared leading to this document.
